Regular Program - Request for No-Cost Extension of a GIF Grant
(To be filled in no later than 3 months before the current end date of the Grant)

Please note: The GIF will not consider nor process the request for a No-Cost Extension if: 1) the joint academic report and 2) the financial reports for the **second year** (by each of the PIs) were not received and approved by the Foundation.

No-cost extensions can be approved only for GIF Grants as a whole, not for individual PIs within a Grant; therefore the request needs to be signed by all PIs on the project.
