### **Request for Postponed Starting Date of the GIF Grant**

(To be filled in no later than December 1st)

Please note the following:

- Postponing the starting date is an option granted for the Regular Program ONLY. (Exception: parental leave of participants in the Young Scientists' Program in accordance with the applicable legal regulations of the Grantee's country. Please contact us.)
- The duration of a GIF Regular Grant cannot exceed 4 years (maximum grant period of 3 years + 1 year of No-Cost Extension) from the original starting date (January 1<sup>st</sup>). A delay of the starting date means that the option for a 'No-Cost Extension' will be less than one year, shortened by the number of months that the starting date was postponed.
- Please note: All signed documents should still arrive to the GIF offices on the date mentioned in the original award letter (October 31<sup>st</sup> before the original starting date of the grant).
- The GIF has only three alternative starting dates to the original starting date: April 1<sup>st</sup>, July 1<sup>st</sup> and October 1<sup>st</sup>.
