Request for Postponed Submission Date for Bioethical Certificates of Approval

Please note: The postponement of submission dates for Bioethical Certificates of Approval is subject to approval by GIF prior to the original starting date of the Grant. This request form is to be submitted to GIF no later than 30 days before the starting date of the Grant.

We, the PIs in GIF Grant no. _____, entitled:

confirm by our signatures that the research plan of our joint GIF Grant partially includes tasks which require ethics approval. The first part of the joint project, however, does not require any ethics approvals; the ethics approvals within the GIF Grant will be required only for experiments starting at the date of _____.

We understand that the relevant certificate must be submitted to GIF until this date. If the ethics approval documents will not be sent to GIF until the stipulated date, the joint Grant will be frozen (i.e. no expenditures can be charged to the grant budget **by any of the PIs** in the Grant from that day) until the ethics approval has been submitted to the GIF offices and approved.

Should there be changes in the time schedule of the project, we shall inform GIF of the new date by which the certificate will be needed, and submit the certificate accordingly.

We understand that the total duration of the GIF Regular Grant including extension/freezing period cannot exceed 4 years from the original starting date (full details can be found in the GIF Guidelines, chapter 2.11).

PIs' Names and Signatures:

PI 1: _____

PI 2: _____

PI 3: _____

PI 4: _____
