1. Abstract

2. Introduction

- Scientific background of the project.
- Please include the original goals from the proposal as approved by GIF.
- Please specify if the goals had been changed during the reported year of research.

3. Results

- Please include figures and figure legends.
- Please include conclusions and how the goals were achieved. If not, please describe the difficulties you encountered during this GIF Grant.
- Please include references.

4. Evaluation of the research achievements in relation to the original proposal

5. Contacts established during the visit in the other country

- Please include the names of the scientists, their institutions, presentations given during the visit and established working collaborations.

6. List of publications

- Please include the list of papers published (or in press) during the period funded by the GIF Grant.
- Reprints of the published articles may be added as "Supplementary".

7. References

8. Summary for the GIF Website

GIF wants to make the work of our grantees visible to the general public as well, by publishing short project summaries on the GIF website.

Evaluation Summary

GIF Grant No. _____

Grant Title: _____

Carried out from: _____ to _____

PI: _____ Institution: _____

Did you reach the main objectives of the project: **YES** **NO**

Did you get unexpected result/s? -- If yes, please detail on a separate page.

Details on visit(s) to the partner country:

No. of publications resulted from GIF Grant (published and in process):

Did you present these results at a conference/symposium (using your GIF Grant budget):

YES **NO**

Research assistant / staff paid from GIF Young Scientist' Program budget:

Based on the results of the above GIF Grant, did you submit (or intend to submit):

- An application to the GIF Regular Program **YES** **NO**
- A grant proposal to another agency **YES** **NO**

Do you have any special feedback or general suggestions to GIF? -- Please list on separate page.

YES **NO**
